The quick brown fox jumps over the lazy dog. 0123456789 !@#$%^&*()_+-=[]{};:,.<>/?
Portable Document Format preserves the exact layout of a document, independent of the software, hardware, or operating system used to create or view it. Each page is described by a content stream that draws text, vector graphics and raster images onto a canvas whose origin sits at the lower-left corner and whose unit is one seventy-second of an inch.
This fixture intentionally mixes long unbroken tokens such as Antidisestablishmentarianism Pneumonoultramicroscopicsilicovolcanoconiosis with ordinary prose, so that selection, highlight, copy and the greedy line wrapping used by the export pipeline all get something non-trivial to chew on. Numbers 1234567890 and punctuation marks (parentheses) [brackets] {braces} quotes apostrophes back-slashes must survive the round trip through text extraction without being mangled or dropped silently.
The quick brown fox jumps over the lazy dog. 0123456789 !@#$%^&*()_+-=[]{};:,.<>/?

The quick brown fox jumps over the lazy dog. 0123456789 !@#$%^&*()_+-=[]{};:,.<>/?
Portable Document Format preserves the exact layout of a document, independent of the software, hardware, or operating system used to create or view it. Each page is described by a content stream that draws text, vector graphics and raster images onto a canvas whose origin sits at the lower-left corner and whose unit is one seventy-second of an inch.
This fixture intentionally mixes long unbroken tokens such as Antidisestablishmentarianism Pneumonoultramicroscopicsilicovolcanoconiosis with ordinary prose, so that selection, highlight, copy and the greedy line wrapping used by the export pipeline all get something non-trivial to chew on. Numbers 1234567890 and punctuation marks (parentheses) [brackets] {braces} quotes apostrophes back-slashes must survive the round trip through text extraction without being mangled or dropped silently.
The quick brown fox jumps over the lazy dog. 0123456789 !@#$%^&*()_+-=[]{};:,.<>/?

Selectable text above - try drag-select, highlight and copy.

This page is intentionally almost blank.

Use it as the target of whiteout / rectangle / ellipse tests.

End of document

20 pages, 8 page geometries, 2 rotations, 1 raster image.

The quick brown fox jumps over the lazy dog. 0123456789 !@#$%^&*()_+-=[]{};:,.<>/?
